

Standard of Conduct Volunteers

1. I recognize that my first obligation is to the children in my care and I will work actively, with staff, to promote a high level of self-esteem in these children.
2. I am sensitive to the rights and responsibilities of staff and I will work positively towards maintaining harmony within the school situation.
3. I will not criticize the competence or work performance of another person except to proper officials and then only in confidence and after the person has been informed of the criticism.
4. I will not divulge information pertaining to students or staff received in confidence or in the course of duties, except as required by law.
5. I accept the responsibility of becoming acquainted with the body of specialized knowledge necessary for the understanding and performance of duties, especially those involving implementation of students' programs.
6. I accept the responsibility to be cognizant of my own job requirements and those of the teachers and support professionals to whom I relate in the course of the day.

I understand and I will adhere to the above standards.
